Part 3. Writing (40 minutes, 20 points).

TASK: What you see in the picture illustrates the final episode in the story which you must write. Write a story of 200-250 words. When writing use the following phraseological expressions (in an arbitrary order):

- 1) to break out in a cold sweat
- 2) to be over the moon
- 3) to collect one's faculties
- 4) to show the white feather

Do not forget to use the standard parameters of a story: the title, the introduction, the conclusion, the combination of the monologue and the dialogue.

The great story
This story tells us about
a human and a tiger which
got along with each other
Their friendship is unbelievable
and full of love.

Their first meeting happened
in the safari when Jacob
worked as a photographer.
At first, Jacob was very
scared but then when
he understood that the
animal wouldn't do anything
wrong he relaxed. Jacob
was luckily accepted in
the wild life. The tiger
was very kind and trusted
people.

Jacob asked:
- What is your name?

Of course, tiger didn't

anything to Jacob. After that, Jacob named the tiger Tishi. Their appreciation and love was over the moon.

After that day they spent a lot of time together.

Connection between them became very strong. Jacob took many photos of Tishi.

On the one of them they are standing out and hugging.

After many years, since Tishi's death he opened the exhibition connected with Tishi's life.

In conclusion, I want to say that their story was fantastic. People should know about it.
