ANSWER SHEET

WRITING

Write your own version of the story based on the picture.

Remember to:

- include a title;
- describe events in an entertaining way;
- include elements of direct speech, description of feelings and emotions;
- make an unexpected ending.

Write 200 - 220 words.

Once upon a time me and my family decided to go on a trip. I always wanted to do that. All of my family members are always busy. My two older sisters Saily and Aurora are far away from home. I miss them so much. They gave me a promise that we will spend time together.

Finally me and my sisters told our parents about the trip. Mom and dad happily agreed with us. We decided to go in the early morning.

We woke up and did it to the mountains. There was a famous stone bridge. But firstly, we needed to go through the woods. My dad was

happily singing while mum was complaining ^{about} on how much bugs was there. I was spilling the tea with my sisters. Finally, we made it to the bridge.

- What a beautiful view, - gasped my mom. Indeed. We immediately took a couple photos. Then we had a little lunch and decided to go home. I was happy that we made it without any problems. But it was too early to think like that.

We almost got out of the woods when I ^{fell} fall on a stone. I broke my leg. My dad picked me up ⁱⁿ on his arms and rode right to the hospital.

That's how ended my trip. Not like I wanted, but anyways I was happy.
