ANSWER SHEET

WRITING

TASK. Write your own version of the story based on the picture.

Remember to:

- include a title;
- describe events in an entertaining way;
- include elements of direct speech, description of feelings and emotions;
- make an unexpected ending.

Write 150 - 170 words.

Everything for you.

- I'm tired. I think that you don't love me. You don't care about me - said Katya.

- It's not true. I really love you. I can do everything you want for you!

- Really? Then... I want the coolest star in the space.

- Well, I'll try to bring it for you, dear.

The man whose name is Tom decided to go to the space to bring the star. He called to the organisation that organise space trips. They told that Tom has to work hard to fly into the

space. Tom had been working hard in the special gym for three months. And he was ready to do this. A big rocket ran into the space. Tom was a bit nervous because he had never been in the space. He took out from the rocket, but couldn't take a star. He was sad because his Katya will be sad too. He returned home.

- I'm so sorry, but I can't bring a star for you.

- I have to say "sorry" more than you. I really love you, darling.
